

# Membership Benefits & Form

The NonprofitCenters Network connects hundreds of members across North America through training, consulting, educational resources, and networking events. We are leading the movement for quality and affordable workspace and shared services for the nonprofit sector.

*“Attending seminars hosted by NCN enabled me to meet with members of other nonprofits who have already experienced the “growing pains” of creating a nonprofit center, learn from their mistakes, and glean valuable advice on best practices.”*

**Colleen Cascio, Project Manager of Nonprofit Innovation Center in Sacramento, CA.**

*"The NonprofitCenters Network provides essential support services and networking opportunities for nonprofits that share office space, staff, and programs across traditional organizational boundaries. We relied on the NCN for help in developing our own shared office space at the NonProfit Center in Boston. We continue to use the NCN's wealth of resources as we build our operations."
